Mamasoatov Samandar
.Net Backend Developer

+998937650083 • mamasoatovsamandar5@gmail.com • Tashkent, Uzbekistan

Professional Summary

I'm a backend developer with hands-on experience gained at Itransition and TATU Incubation Center. I've strengthened my core C#skills by working on real-world projects, focusing on object-oriented programming, clean code principles, and algorithmic problem solving. I enjoy collaborating with teams to build innovative solutions that align with business goals and user needs.

Skills

C#, SQL(PostgreSql), Entity Framework, Linq, Asp.Net Core, ASP.NET Web API, JWT Authentication, Clean Architecture, Linux, Github

Cyber Security(Penetresting Testing,OWASP top-10) I'm learning right now at Uzcert.

Experience

Itransition   Taashkent, Uzbekistan
C# Developer   03/2024 - 04/2024

- Strengthened C# development skills through real-world backend projects, gaining hands-on experience with object- oriented programming, data structures, and algorithmic problem solving.

TATU Incubation Center   Tashkent, Uzbekistan
Backend Developer   06/2025 - Present

- **ASP.NET Core** – Developed RESTful APIs with JWT authentication and role-based access control (RBAC)
- **Clean Architecture** – Structured projects into Core, Infrastructure, and Application layers for better maintainability
- **Entity Framework Core** – Designed database schemas and optimized LINQ queries for efficient data access
- **C# Algorithms** – Applied object-oriented programming and algorithmic thinking in backend development.
- **Technical Documentation** – Created onboarding guides and architecture documentation for team knowledge sharing
- **Live Project** – Currently developing Darmon Pharmacy Platformwith full backend functionality, payment integration, and modular architecture.
- **GitHub Profile** – https://github.com/SamandarHijiakbarovich

Education

Tashkent University of Information Technologies   Tashkent,Uzbekista
Bachelor of Science: Mobile Communication Systems   01/2021 - Present

Languages

English Elementary   Uzb Native
